### **DONJON PURCHASES TUG BOAT, *MEAGAN ANN*, Ex. *SCORPIUS***

Donjon Marine Co., Inc., a provider of multi-faceted marine services including marine salvage, heavy lift, dredging and related emergency response services, has purchased the tugboat, the *Meagan Ann*, formerly the *Scorpius*, from Constellation Maritime, a subsidiary of Foss Maritime. The *Meagan Ann* is a twin-engine, 2,250 HP coastal towing tug, built in 1975 and rebuilt in 1988, approximately 81 feet long. The *Meagan Ann* will join Donjon's tug fleet and support its marine transportation and dredging operations.

"The acquisition of the *Meagan Ann* to Donjon's fleet combines good, strong horsepower with compact size, and is a continuing illustration of Donjon's commitment to the increased needs of our customers," said Steven G. Newes, Vice President, Marine Transportation.
